Gladiolus for 1951

If you are no longer interested in GLADS---return to postoffice marked "REFUSED"

BLUE ICE

We exercise the greatest care to see that only first quality stock is shipped out; but in keeping with trade customs, we cannot guarantee the growth or productiveness of the bulbs due to the varying soil and climatic conditions.

Our 21 acres of Gladiolus are hand planted, hand harvested, hand cleaned and counted. They are not mutilated and bruised by machinery. This is your assurance of first quality bulbs.

Prompt ordering is advisable, as there seems to be a strong demand for the many real good cut-flower varieties that are listed here in our catalog at such reasonable prices.

READ THIS BEFORE ORDERING

TERMS: CASH WITH ORDER or 50% down, balance at time of delivery. Bulbs may be held in storage here until April 15th.

ORDER CHANGES: It sometimes happens that we are out of the exact size you order but have other sizes in the same variety. Please state whether you will permit us to send another size or variety if out of what you order. You will always receive liberal value for any changes. Many of our customers are delighted with the extras in the form of overcount and newer kinds that we include for trial; and if you send us the names and addresses of friends that grow 500 or more Glads—well, we just try to outdo ourselves in giving extras.

In case your order consists entirely of these SPECIAL OFFERS—we will prepay ALL the charges via Parcel Post if you can await a safe shipping date. Orders consisting of Special Offers and Standard Varieties; we will put in enough extras to more than offset the part that would have been prepaid.

SHIPMENT

All orders are sold with the understanding that the shipping charges will be paid by the customer. That means F.O.B. Portland, Oregon, except pool car shipments which are prepaid to Chicago or Trenton, N. J.

A service charge of 35 cents will be charged on all orders of less than \$3.00, as they cannot be filled and shipped at a profit.

Orders of \$10.00 or more may be sent any time in U. S. A. via Railway Express. Those held for Spring delivery will be shipped as weather permits. Local and Pacific Coast orders may be shipped at any time.

We advise Railway Express shipment rather than freight as congested conditions sometimes cause long delays. Auto freight has proven very satisfactory for Pacific Coast and Texas orders of 100 lbs. or more.

WASHINGTON, OREGON, CALIFORNIA AND TEXAS customers who order \$60.00 or more will have their shipments PREPAID from Portland, Oregon, to the through-rate auto freight terminal nearest to them.

PARCEL POST SHIPMENT

Parcel Post is not insured against freezing, so should you wish your order sent in this manner (much cheaper than express on orders of 12 lbs. or less) you had better let us keep it until danger of freezing is past—usually March 15th. We will advance the postage and notify you of the amount.

JUMBO No. 1 BULBS ARE AVAILABLE IN PRACTICALLY ALL STANDARD VARIETIES.

We had an excellent growing season and we are happy to offer these to anyone wishing bulbs over 2 inches in diameter @ same price as No. 1's. Shipping charges will not be paid in the pool cars or auto freight on these however, due to the high weight per 1000. (About 140 lbs.). Just mention on your order should you wish them supplied. If available, we will ship collect and put in some extra nice new ones to cheer you up after paying the express or auto freight bill.

CELLOPHANE BAGS with lithographed pictures of various varieties and complete growing instructions attached containing 12 No. 2 or 15 No. 3 (whichever you prefer) may be had @ 30c per package (minimum order on these—50 pkgs.). **Easily retailed @** from 50c to 60c. Write us for further information if interested. These may be prepaid in pool car and auto freight shipments also.

We are proud to announce that we have just completed installation of the very latest air conditioning system in our bulb warehouse. Even with the extremely wet harvesting season that we have just been through, we were able to process our crop so that it looks like each bulb was hand polished. Every 20 minutes, the air is completely renewed in our storage rooms with the temperature thermostatically controlled. If you are in Portland in the near future, we would be pleased to show you around.

10% D.D.T.—Your best insurance against Thrip.

Just dust your bulbs and plants lightly with this and your worries will be over. Complete instructions are included when your order is shipped.
